MOTION
—NUTRITION—

THE PROJECT

This startup brand focussing on natural, organic sports supplements was in need of both brand awareness and high quality, relevant links to help its newly-launched website appear in search engines.

We partnered with 9 influencers – including bloggers and vloggers – who focus on health and fitness, challenging them to create a healthy breakfast recipe that incorporated one of Motion Nutrition’s organic whey protein products.

THE AIM

To promote the Order Blinds brand to an audience with a passion for stylish, practical home interiors, as well as increasing brand trust by introducing Order Blinds as a reputable online retailer with a great selection of products that safe, functional and easy to use.

THE RESULTS

The campaign had a positive effect on the brand’s SEO as well as securing brand mentions across a range of health-focussed blogs and social media profiles.
